

Administrators

This guide takes you through how to manage your Nearmap users and their rights to view maps, how to view data usage, and how to view billing and subscription information:

Manage Users:

- [Managing Your Nearmap Licenses and User Logins](#)
- [Invite Users to Your Nearmap Account](#)
- [Grant/Revoke/Change a Nearmap Licence](#)
- [Enable/Disable a User's Login Permissions](#)
- [Add/Remove Administrator Privileges](#)
- [User Not Receiving Password Reset Emails](#)
- [Users Invitation Status](#)

View:

- [Account Data Usage](#)
- [Billing and Subscription Information](#)

In addition to this guide, we also have [Account Management Videos](#), which include [How to Add and Manage Users](#), [The Location Watchlist](#), [The Usage Dashboard](#), and [How to Generate API Keys](#).
