

How can I access Nearmap on OpenSolar?

Speak to your administrator to see if Nearmap on OpenSolar is part of your subscription.

If it is not part of your subscription, reach out to us to discuss your options. You can contact your Customer Service Manager, or get in touch via the contact form on our website: <https://www.nearmap.com/au/en/current-maps-contact>.

If it is part of your subscription, get your administrator to grant you access. Find out more here: [Invite Users to Your Nearmap Account](#).

Once you have access, follow our tutorial series: [Get Up and Running with Nearmap on OpenSolar](#).
