

I've worked through the Get up and Running series and still need help

If you require further clarification, we can schedule a 30 minute focus session to iron out any queries. Contact your Customer Service Manager.

There are more resources to help you get the most out of your Nearmap on OpenSolar experience:

- We have a small collection of Nearmap on OpenSolar technical articles on the [Knowledge Hub](#).
- Visit the [OpenSolar Help Centre](#).
- Have a look at OpenSolar's [Training Package](#).
- Register for the weekly OpenSolar webinar series: <https://support.opensolar.com/hc/en-us/sections/900000237803-Join-our-Recurring-Weekly-Webinar-Series->.
- Contact your Customer Service Manager.
- If you're really stuck or you think something's not working as it should, you can [Submit a Support Request](#).
